## *Designing Your Life* by Bill Burnett and Dave Evans

“Because of DYL, I not only got my dream job after college, but was super intentional about my life- friendships, health, hobbies, relationships, etc, in a way that I wouldn’t have been otherwise that made life after college just as fun, if not more fun, than my time at Stanford, which I didn’t think was possible!”

– Nick Benavides, Stanford University, Class of 2019

To learn more, watch this [18 minute TedTalk video of Dave Evans](#) of the *Life Design Lab* at Stanford University.
