The Role of College Counsellors

Unique Position

•**Responsibilities:** Personalised student guidance, university and career exploration, application and admissions support, scholarship and financial aid assistance.

*Realizing that when rallying together as a community, all stakeholders are able to best serve students.

Year 1: Shared Mission

- Insure the community understands the role of college counseling beyond the clerical and administrative.
- Advocate for the broader recognition of community involvement in college counseling among teachers, staff, SLT, and others.
- Attend PD opportunities along the way.

Year 2: Whole school activities

Involve all members of the school community in programming. Introduce events for the whole community:

- University fairs
- Career days
- Academic workshops
- University visits
- Parent coffee mornings
- Etc.

Year 3: Thinking Beyond Your School

Incorporate real world experiences beyond school walls:

- Internships
- Job shadowing
- Field trips
- University visits
- Work experiences
- Inviting in guest speakers
- Etc.
