## WELCOME TO CQUNIVERSITY

At CQUniversity Australia you can choose from a wide variety of TAFE and university qualifications. With seamless pathways between short courses, certificates and diplomas, through to undergraduate, postgraduate and research higher degrees, we can help you be what you want to be.

### FIND THE RIGHT COURSE FOR YOU

Explore our 2025 Course Directory and find everything you need to know about studying at CQUniversity. Along with an overview of the courses we have on offer, you will find entry requirements, availability and intake information.

### WHEN YOU'RE READY FOR THE NEXT STEP

There's no such thing as the best university, just the best university for you. We are committed to helping you find the information you need at the different stages of your journey to study with CQUniversity.

To find out more and get started on the pathway to your dream career, visit [cqu.edu.au/futurestudents](https://cqu.edu.au/futurestudents).

### INTERNATIONAL STUDENTS

If you're not an Australian citizen, an Australian permanent resident or a New Zealand citizen, visit [cqu.edu.au/international-guides](https://cqu.edu.au/international-guides) to read our guides and information on our courses, campus availability and fees relevant to you.

### ACKNOWLEDGEMENT TO AUSTRALIA'S FIRST NATIONS PEOPLE

CQUniversity recognises and acknowledges the important role First Nations people make to our communities and values Australian Indigenous knowledge systems as an integral part of our teachings.

## CHOOSE YOUR STUDY LEVEL

Not sure where your chosen course fits and what could come next? We're proud to offer a wide range of study options at all levels of higher education. We offer credit for prior learning and seamless pathways between many of our courses, so you can start and finish wherever you need to.

#### TAFE

- Certificate I
- Certificate II
- Certificate III
- Certificate IV
- Diploma
- Advanced diploma

#### UNDERGRADUATE

- Diploma
- Associate degree
- Bachelor
- Honours

#### POSTGRADUATE

- Graduate certificate
- Graduate diploma
- Master (course work)

#### RESEARCH

- Graduate certificate
- Master by research
- PhD

# WE SEE YOU

## ENJOYING CAREER SUCCESS

CQU is ranked #1 in Australia for long-term postgraduate employment rates\* and #4 for undergraduate starting salaries†.

## MAKING A DIFFERENCE

We're ranked among the top 90 universities globally for sustainability‡ and social innovation skills are embedded in every CQU degree.

## BEING SUPPORTED

We're known for our range of student support services, regardless of whether you are studying on campus or online.

## JOINING OUR COMMUNITY

Our belief that quality education should be accessible for everyone sees us ranked #1 Australia for social equity, and second for our first-generation student ratio.†

'Teaching staff have been extremely supportive. They know students on a first-name basis and they're passionate about what they are teaching.'

**Darren Allen**

BACHELOR OF MEDICAL IMAGING

## YOUR CQU STUDENT EXPERIENCE

At CQUniversity, we believe university can be for anyone, regardless of background or circumstance. To help enrich your life and studies, we provide a range of support services, initiatives and facilities, plus the flexibility to tailor your study to suit your lifestyle.

### EXPERIENCE THE CQU COMMUNITY

Our commitment to ensuring that a quality education is accessible to everyone sees us welcome students from diverse cultural backgrounds, geographic locations and socio-economic contexts. As a student at CQUniversity, you will become part of a community like no other.

You'll enjoy opportunities to make friends, network and become engaged with a tight-knit community. Our smaller class sizes allow you to form meaningful relationships and connections with your peers, teaching staff and lecturers.

You will find a welcoming and enriched campus life where you can get involved and stay connected via social and networking events, clubs and societies, student leadership opportunities and a wealth of virtual activities. Many of our locations also offer a range of student recreation facilities such as gyms and sports areas, food outlets, cafés, games areas, and lounge and entertainment zones. For more information, visit [cqu.edu.au/study/universitylife](http://cqu.edu.au/study/universitylife).

### AFTER YOU GRADUATE

CQUniversity has an active alumni program and continues to support you by providing access to career services and mentors, professional and personal development, and further opportunities for you to follow your passion and expand your experience.

### GRADUATE WITH CONFIDENCE

At CQUniversity Australia, we're proud to be recognised among the top Australian universities for undergraduate full-time employment rates\*. We're also committed to continuing to improve our graduate outcomes so that you can land your dream job. That's why we've introduced our Graduate Guarantee for every undergraduate level CQUniversity degree. Graduate and secure a job in your area, or we will support your continued learning while your search continues with a Graduate Certificate in Leadership and Entrepreneurship at no cost. Find out more at [cqu.edu.au/graduateguarantee](http://cqu.edu.au/graduateguarantee).

\* ComparEd 2022

ASHOKA   
**Changemaker  
Campus**

As Australia's only Ashoka U Changemaker Campus, you'll benefit from courses designed to nurture a social innovation mindset and build your future-of-work skills to drive positive social change in your field.

### ENJOY OUTSTANDING STUDY SUPPORT

Whether you're starting uni for the first time, returning to study or pursuing a postgraduate degree, CQUniversity has a range of support services to help you along your journey. Services include orientation to assist your transition to university life, ongoing assistance through the Student Mentor Program, counselling services, course advice, career planning services, support for students with a disability or medical conditions, Indigenous student support, financial support options, and more. For more information, visit [cqu.edu.au/support](http://cqu.edu.au/support).

### ACADEMIC SUPPORT

As a first-year student, or upon referral from a lecturer, you can access our Academic Learning Centre. Here you'll find a wealth of information, support, advice and resources related to many of the academic communication, mathematics and statistics, science and computing requirements of your studies. For more information, visit [cqu.edu.au/alcsupport](http://cqu.edu.au/alcsupport).

### INDIGENOUS SUPPORT

CQUniversity has a dedicated student support team that provides Aboriginal and/or Torres Strait Islander students with guidance regarding course options, financial assistance, pastoral care, mentoring and tutoring. For more information, visit [cqu.edu.au/indigenoustudentsupport](http://cqu.edu.au/indigenoustudentsupport).

### VET LEARNING SUPPORT

CQUniversity offers learning support to apprentices, trainees, and other TAFE students. For more information, including eligibility and conditions, visit [cqu.edu.au/learningsupport](http://cqu.edu.au/learningsupport).

### GIVE BACK TO YOUR COMMUNITY

CQUniversity has a strong focus on engagement, social outreach and giving back to our diverse communities. Many of our courses incorporate volunteering and social projects and, as a student volunteer, you will gain invaluable experience and change the way you view the world.

### SOCIAL INNOVATION

At CQUniversity, we teach every student skills in social innovation – to be able to improve the lives of people and their environments through innovative solutions to complex social challenges.

Your CQU degree will offer you more than the confidence to create positive change, but also equip you with job-ready skills including resilience, collaborative leadership, and creative problem solving. New ideas that tackle real-life challenges are a significant driver of economic growth, and your social innovation mindset will be in high demand with employers and governments.

We help you develop this mindset through dedicated units, assessments, projects, case studies or lessons, and tailor this approach to each course. Regardless of your field of study or career path, you will graduate with the capabilities to shape the world for the better. For more information, visit [cqu.edu.au/socialinnovation](http://cqu.edu.au/socialinnovation).

## LOCATIONS

Whether you choose to study close to home or spread your wings further afield, CQUniversity – Australia’s largest regional university – offers the best of both worlds, with 13 campuses and a range of Regional University Centres to choose from.

## EXPLORE OUR CAMPUSES

Each CQUniversity campus is a unique, vibrant community offering an assortment of on-and off-campus facilities and services, coupled with carefully planned course offerings. Whether you study on campus or online you can access our full range of campus facilities including libraries, lecture theatres and other learning spaces, student advice centres and commercial outlets such as food and beverage vendors.

## REGIONAL UNIVERSITY CENTRE PARTNERSHIPS

Federally funded, Regional University Centres (also referred to as Regional Study Hubs by the Australian Government) operate at multiple sites across Australia providing infrastructure as well as academic support for students studying via distance with nominated partner universities.

Our Regional University Centre Partners include:

- » Country Universities Centre
- » Geraldton Universities Centre
- » Murray River Study Hub
- » Pilbara Universities Centre
- » Taree Universities Campus
- » Uni Hub Spencer Gulf

When you study with CQUniversity with the support of a Regional University Centre, you will benefit from access to facilities such as internet and computing facilities, administration services and student study area or learning spaces. For more information about our partners visit [cq.edu.au/locations](http://cq.edu.au/locations).

## STUDY ONLINE

At CQUniversity we know you want the flexibility to study when and how you like, which is why we are proud to deliver an outstanding online learning experience.

Your course of interest may be delivered completely online, or have some on-campus requirements like an exam or residential school.

Our experienced staff provide you with a high level of support, offering several services that are available for you to use from wherever you are studying. These may include electronic and online library resources, study materials, discussion forums and recorded lectures, along with weekend or online orientation sessions, and access to our facilities and locations across Australia.

For more information visit [cq.edu.au/online](http://cq.edu.au/online).

Want to learn how online study works at CQUniversity? Watch this video.

# ENJOY UNI LIFE

University is about more than gaining a professional qualification. When you join the CQUniversity community, you'll create connections for life and can build your life experience by getting involved in activities and groups outside of your study.

## SPREAD YOUR WINGS AND STUDY ABROAD

Our CQUGlobal Outbound programs allow you to experience life and study from a choice of over 30 countries across six continents. You may apply for a program to experience a different lifestyle, culture and environment while earning credit towards your degree, and without lengthening the duration of your study.

Learning abroad is an experience that is guaranteed to stay with you for the rest of your life. For more information, visit [cqu.edu.au/cquglobal](https://cqu.edu.au/cquglobal).

## GET INVOLVED WITH SPORT AND FITNESS

As well as the modern fitness facilities and sporting areas available at our larger campuses, students across our campus footprint have the opportunity to nominate to represent CQUniversity at regional and national events hosted by the peak governing body of university sport, UniSport Australia. Some campuses also offer a calendar of social sport activities to become involved in.

## JOIN A CLUB, GROUP OR SOCIETY

Celebrate your shared interests by joining one (or more) of the student clubs, groups and societies based across our many campuses or online. Whether your interest is in your chosen industry, sport, gaming, career-building or health and fitness, chances are we'll have a group to suit you. Can't find the perfect group? You can start your very own with support from our Student Engagement team.

## SLEEP SOUNDLY WITH QUALITY ACCOMMODATION OPTIONS

Student residences are available at CQUniversity Mackay Ooralea and CQUniversity Rockhampton North, offering a range of long-term and short-term accommodation options for staying the duration of your studies, for a term or for residential schools. For more information, visit [cqu.edu.au/accommodation](https://cqu.edu.au/accommodation).

## GET THE MOST FROM YOUR STUDIES

Study isn't just about classes, assignments and exams. At CQU, we are committed to helping you graduate work-ready with real-world skills and experience so you can excel in your industry, whether you're getting started or advancing your career.

### BENEFIT FROM SEAMLESS PATHWAYS

As a dual-sector university, CQUniversity is uniquely positioned to offer a comprehensive range of both TAFE and university qualifications, as well as seamless pathways between the two.

These pathways between certificates and diplomas, through to undergraduate, postgraduate and research higher degrees, mean you're able to move from vocational to tertiary study in line with your educational and career goals.

### GAIN REAL-WORLD EXPERIENCE

Designed alongside industry, our courses will prepare you with up-to-date, real-world knowledge and skills. Our direct ties with industry give you access to the latest advancements in your field. Our state-of-the-art, purpose-built facilities provide valuable experience in workplace settings, giving you highly transferable skills to take you further in your career.

Many of our courses provide you with opportunities to enhance your employability and gain practical and relevant skills through work-integrated learning, which covers a range of work-related experiences such as student placements, internships and simulations as part of your course.

### STUDY WHEN AND WHERE IT SUITS YOU

We understand that balancing study with work, family, social and other commitments can be hard. This is why we offer a variety of ways for you to tailor your study to suit your lifestyle.

As well as having on-campus availability at our locations across Australia, you can choose to study online via our renowned distance education mode. We are committed to delivering the latest techniques in online study and have even planned our physical sites to provide more services to our widespread online study cohort.

With many of our courses available to study over three terms and full or part time, you can adjust your study load to suit your circumstances, whether you're looking to fast-track your qualification, take a break, or progress through your course at a steady pace.

### ATTEND A RESIDENTIAL SCHOOL

If you're studying online, you may enjoy on-campus residential schools and other face-to-face training sessions, giving you access to laboratories and specialised learning facilities, as well as opportunities to network with fellow students, teachers and industry professionals. These opportunities may be compulsory or optional, depending on your course. For more information explore the details of your chosen course on our website.

'I chose to study online with CQUniversity because they offered the course I wanted and because of their social innovation values and inclusive culture.'

**Ashlyn Forsaith**  
BACHELOR OF EDUCATION

## ENTRY PATHWAYS

We understand that everyone's journey is different, so we offer many alternative pathways into our courses.

### SKILLS FOR TERTIARY EDUCATION PREPARATORY STUDIES (STEPS)

STEPS is a Centrelink-approved enabling program that has helped thousands of Australians gain entry into university. Tailored to you and your unique study goals, STEPS is designed to help you return to study or work after some time away, complete prerequisite subjects for entry into your chosen degree, or give you the confidence and skills to successfully enter and undertake university study. For more information, visit [cqu.edu.au/steps](http://cqu.edu.au/steps).

### RECOGNITION OF PRIOR LEARNING (RPL)

RPL recognises skills and knowledge that you've acquired through informal learning. This may occur via workshops, training events, voluntary work or on the job. To obtain RPL, you need to be currently or recently working in the industry that you are wishing to be recognised for.

The RPL process involves an assessment of knowledge, skills and experience. Your skills will be assessed against industry standards by an RPL Assessor after your application and your supporting evidence has been submitted and processed. For more information, visit [cqu.edu.au/rpl](http://cqu.edu.au/rpl).

### TAFE QUALIFICATION

If you hold a certificate III, certificate IV or diploma qualification, you may meet specified entry score requirements for many of our associate, bachelor and bachelor with honours degrees.

Learn more about our entry pathway options.

### PRINCIPAL'S RECOMMENDATION SCHEME

Our Principal's Recommendation Scheme provides Year 12 students with an alternate entry pathway, based on their school principal's recommendation rather than an ATAR. It's an ideal pathway for all year 12 students, especially if you haven't studied for an ATAR, or you've experienced circumstances that may have impacted your senior schooling results. For more information, visit [cqu.edu.au/prs](http://cqu.edu.au/prs).

### START UNI NOW (SUN)

Our SUN program is a valuable alternate entry pathway for high school students thinking about studying a CQU undergraduate course. After successful completion of a SUN unit during your senior high school years, you may be eligible to apply for direct entry into your preferred course (excluding quota-managed courses) and receive credit towards your degree. For more information, visit [cqu.edu.au/sun](http://cqu.edu.au/sun).

### START TAFE NOW (STN)

STN is an ideal entry pathway option that offers high school students the opportunity to study a certificate I, II, III, IV or diploma level course, in a wide variety of disciplines. Benefit from developing real trade skills and qualifications, while completing secondary school.

In Queensland, you can study a TAFE course as part of your Queensland Certificate of Education (QCE), and earn QCE points. To be eligible, you need to be at least 15 years of age at the commencement of classes.

For more information, visit [cqu.edu.au/stn](http://cqu.edu.au/stn).

## FEES AND SCHOLARSHIPS

CQUniversity is committed to making education accessible. We offer competitive fees along with a generous variety of scholarships.

### COSTS AND FINANCIAL SUPPORT

The cost of a course varies depending on what you are studying. You may also need to factor in other costs, such as living expenses, stationery, textbooks and equipment, including safety glasses, laboratory coats, gym clothes or a uniform. The Australian Government offers a number of financial support programs, like VET Student Loans, HECS-HELP, FEE-HELP and OS-HELP to support eligible students while studying. For more information, visit [cqu.edu.au/fees](https://www.cqu.edu.au/fees).

If you are an international student, find fee information relevant to you at [cqu.edu.au/internationalfees](https://www.cqu.edu.au/internationalfees).

### TAFE SUBSIDISED TRAINING

As a Skills Assure provider, CQU offers a range of Queensland Government subsidised programs for TAFE courses covering skill sets, certificate and diploma qualifications. Eligibility criteria vary depending upon the objectives of the program. CQU can assist in assessing Queensland Government Subsidies for your circumstances and advise on eligibility. Find out more at [cqu.edu.au/subsidy](https://www.cqu.edu.au/subsidy) or call us on 13 27 86.

### SCHOLARSHIPS

CQUniversity offers a comprehensive range of scholarships, bursaries and awards providing both opportunities and financial support. Receiving a scholarship or an award can help you manage the cost of study, looks good on your résumé and may even open doors to other benefits. These might include forming relationships with industry contacts, and creating opportunities for work experience and employment.

Our range of scholarships and bursaries are tailored to meet the diverse needs and circumstances of our students. While some of our scholarships are awarded on academic merit, others focus on a wide range of criteria, such as course of study, home location, commitment to community engagement and income status. For more information visit [cqu.edu.au/scholarships](https://www.cqu.edu.au/scholarships).

Explore our full range of scholarships.

'I didn't think that I was eligible to get any type of scholarship, but I clicked on an email once and thought I'll just have a look. The financial component of the scholarship was a massive help to me. It was wonderful to be able to purchase a few things, but also it just gave me a sense of immense pride.'

**Christie McLucas**

SCHOLARSHIP RECIPIENT

# HOW TO USE THIS COURSE DIRECTORY

Our Course Directory lists all CQUniversity courses, including certificates, diplomas, undergraduate, postgraduate and research degrees. We've organised these courses into industry-focussed study areas to help you find options that best suit your goals.

## COURSE

Use the course code and course name to search our website [cqu.edu.au](http://cqu.edu.au) and find out more about the courses you're interested in. Some TAFE courses may be marked with a © or ☺. This means the course may be delivered via the Start TAFE Now © program or via a partnership ☺ arrangement.

## AVAILABILITY

CQU has 20+ locations around Australia, so to fit them in our Course Directory we've used abbreviations, which you can find in the legend below. Some courses also offer online or mixed mode study options.

## PREREQUISITES

These are subjects you must have studied at school. In brackets you'll find the prerequisite units required and minimum grade you must achieve to meet the listed prerequisite. If it's been a while since you left school, your post-school experience such as work experience, volunteering or community activities may meet these requirements. If you don't have the prerequisites needed, our alternate entry pathways may help you gain entry into your chosen course.

COURSE <sup>1</sup>	INTAKES <sup>2</sup>	DOMESTIC AVAILABILITY <sup>2</sup>	DURATION <sup>2</sup> FT/PT	ATAR/SR <sup>3</sup>	PREREQUISITE	INT

## INTAKES

Intake is the time of year you can start a course. We have three terms: Term 1 starts in March, Term 2 starts in July and Term 3 starts in November. TAFE courses may list the months they begin, or 'multiple', which means they may have many intakes so it's best to check our website. 'Anytime' relates to our hyperflexible online courses where study is self-paced and you can start at any time throughout the year.

## DURATION

This is the minimum time, in years, required to complete a course full time or part time.

## ATAR/SR

This is the minimum selection rank threshold. ATAR stands for the Australian Tertiary Admission Rank, and SR means Selection Rank. If you don't have an ATAR or SR get in touch with us to talk about the range of options available to you. Check the Important Notes on the inside back cover of this guide for more information on selection rank thresholds.

# BUSINESS AND ACCOUNTING

## WHERE CAN ACCOUNTING COURSES TAKE YOU?

If you are interested in becoming a **professional accountant**, our Bachelor of Accounting or dual degrees in accounting and business, or accounting and laws will provide the qualifications needed for recognition by the Australian accounting bodies. The dual degrees also allow you to build your accounting knowledge within a multidisciplinary context while majoring in accounting.

If you want to **build your accounting knowledge** but don't need to qualify as a professional accountant, our TAFE certificates can assist you. The Certificate III in Accounts

Administration is a great career-entry course or can help formalise existing hands-on experience in **accounts payable, accounts receivable or processing financial data entry**. If **bookkeeping** is of interest, the Certificate IV in Accounting and Bookkeeping will develop your ability to compile Business Activity Statements (BAS).

Already hold a degree and would like to meet professional recognition requirements? Our suite of postgraduate accounting options is designed to help you **redirect your career towards accounting**.

GRAD EMPLOYMENT RATES

The Good Universities Guide 2024 (Undergraduate)

<sup>1,2,3</sup> See important notes on the inside back cover.

## WHERE CAN BUSINESS COURSES TAKE YOU?

Our TAFE certificates and diplomas build up your real-world experience in basic business functions, while our range of bachelor degrees and the Diploma of Business Studies are ideal career entry courses, helping you further your career aspirations with a diverse choice of majors available.

The Diploma of Business in the Digital Age provides you with complementary skills in business and technology and is open to approved students under the Future of Work – Advanced Apprenticeship program.

For a specialist professional career, explore our options in the disciplines of **financial planning, property, management, marketing, public relations** and **human resources management**.

Broaden your opportunities further with a dual business degree where you will **advance the depth of your studies** by adding **accounting** or **laws** into the mix.

If you have **extensive experience** or **already hold a bachelor degree**, postgraduate study allows you to specialise in fields such as **human resources, innovation, international business, marketing, management** or **embark on an MBA**.

# CREATIVE, PERFORMING AND VISUAL ARTS

## WHERE CAN CREATIVE AND PERFORMING ARTS COURSES TAKE YOU?

Our Bachelor of Theatre begins with a focus on core studies within a performance-integrated structure, a major in **Drama, Music Theatre** or **Technical Theatre**, and a range of extension minors to extend your skills and knowledge further. Our Bachelor of Arts offers a **major in Theatre Studies** providing a broad education in humanities and the arts.

Music options include a diploma that develops fundamental musical knowledge and performance skills, and is great if you are looking to **enter the music industry** or want to further your tertiary studies.

The Bachelor of Music will offer specialist training in **vocal or instrumental performance**, and the benefit of tailoring your studies in a range of music styles including western art music, jazz or contemporary music. Focus your strengths and interests by pursuing minors in **Performance, Ensemble Training, Music Technology, Musicology** or **Music Pedagogy**. Studying at CQU Mackay will provide you with a conservatoire-style environment to learn and a performance schedule in a range of settings to prepare you for your career.

The Good Universities Guide 2024 (Undergraduate)

'My experience with the lecturers at CQUniversity has been very good. I was very impressed at how kind they were with me at the beginning of my degree when I was trying to figure out how I could do the subject areas that I wanted.'

**Cassidy Acutt**  
BACHELOR OF THEATRE

## WHERE CAN VISUAL ARTS COURSES TAKE YOU?

Our courses in visual arts refine your skills and knowledge in drawing fundamentals, as well as contemporary art practices.

The certificate and diploma allow you to focus on relevant and practical areas, such as **drawing, silver-smithing, jewellery-making, painting** or **printmaking**.

The Diploma of Visual Arts also provides an ideal pathway towards the Bachelor of Arts, which allows you to combine a **major in Visual Arts** with a range of humanities disciplines, broadening your career opportunities in humanities and arts.

# DIGITAL MEDIA, COMMUNICATION AND ARTS

## WHERE CAN ARTS COURSES TAKE YOU?

The Diploma of Arts is a versatile taster, combining **humanities** and **social sciences** disciplines with professional specialisations, providing a route into the Bachelor of Arts. When you study the Bachelor of Arts you have the flexibility to **tailor your studies to suit your goals** by selecting majors, minors and units in a wide variety of disciplines. The diversity of our arts courses also means you have the option to pair your study in arts and humanities with **laws**.

The Master of Arts allows you to take a deep dive into an arts or humanities discipline of your choice. It's an ideal option to advance your skills and knowledge after completing a Bachelor of Arts, Music, Theatre or Digital Media with CQUniversity. The flexible Graduate Certificate and Master of Creative Writing are ideal if you have a personal interest in **creative writing**.

<b>Childcare</b>						
CHC30121 - Certificate III in Early Childhood Education and Care	Multiple	ROK, Mixed Mode				
CHC50121 - Diploma of Early Childhood Education and Care	Multiple	Mixed Mode				

## WHERE CAN EDUCATION COURSES TAKE YOU?

Our range of education courses are designed to assist you along your chosen career path.

This includes a number of options specifically for **registered teachers**. The Graduate Certificate in Religious Education qualifies you to teach in Australian Catholic schools. The Graduate Certificate and Master of Educational Neuroscience specialise in the theory and practice of memory and learning from a **neuroscience** perspective while our **educational leadership** courses are designed for **current and aspiring education leaders**. The Diploma of Secondary School Teaching extends your discipline expertise and supports your **transition from primary to junior secondary teaching**.

For **tertiary educators** the Graduate Certificate in Tertiary and Adult Education can assist with professional development and skill advancement opportunities.

If you're interested in a career as a **teacher aide, education support worker** or **education assistant**, consider our Certificate III or IV in School Based Education Support. If you're starting a career in **vocational education and training** or are in a training role, our Certificate IV in Training and Assessment may be the best fit for you.

# ENGINEERING, BUILT ENVIRONMENT AND AVIATION

## WHERE CAN ASSET AND MAINTENANCE MANAGEMENT COURSES TAKE YOU?

If you currently work in **asset and maintenance management**, our Graduate Certificate in Asset and Maintenance Management will integrate your experience as a maintenance practitioner with theories and concepts to develop your professional skills and knowledge.

The Graduate Diploma and Master of Asset and Maintenance Management build on your skills and knowledge further.

COURSE <sup>1</sup>	INTAKES <sup>2</sup>	DOMESTIC AVAILABILITY <sup>2</sup>	DURATION <sup>2</sup> FT/PT	ATAR/SR <sup>3</sup>	PREREQUISITE	INT

## WHERE CAN AVIATION COURSES TAKE YOU?

Our versatile aviation courses will equip you with specialist skills to prepare you for a career as a pilot, or manager working in the dynamic aviation industry. If you want to gain a **Commercial Pilot Licence** or **Command Instrument Rating**, our Bachelor of Aviation (Flight Operations) equips you with the required academic and aeronautical knowledge. When studied in conjunction with the graduate diploma you'll be qualified to work as a professional pilot and have access to aviation careers in the air transportation industry.

The Graduate Diploma of Aviation represents the **flight training** aspect of our aviation courses. The Airline and Airport Operations major within the Bachelor of Aviation will prepare you for a career in **aviation management**. If you are interested in a career in **aircraft maintenance engineering** (avionics or mechanical), explore the Bachelor of Engineering Technology.

The Good Universities Guide 2024 (Undergraduate and Postgraduate)

## WHERE CAN BUILT ENVIRONMENT COURSES TAKE YOU?

Our Associate Degree of Building Design equips you with the relevant skills to **plan and design structures** ranging from residential homes to medium-rise commercial buildings. The Bachelor of Building Design satisfies the educational requirements for the **Building Design – Open Licence** issued by the Building Services Authority, Queensland. The dual engineering and building design degree prepares you for a career as a **civil engineer skilled in high-level engineering and building design**.

CQUniversity offers two building surveying study options. The associate degree will teach you how to **assess building documentation** for code and standards compliance, and **inspect staged works** for domestic and residential buildings, while the bachelor qualifies you to **certify buildings of all classes** in the residential and commercial sectors.

The Bachelor of Construction Management (Honours) covers construction management and planning, materials and structures, services, and building maintenance, and qualifies you for a career as a **construction manager**. Our dual degree in engineering and construction management provides you with broad career opportunities preparing you for a career as a **civil engineer competent in managing the construction process**.

Our postgraduate construction management courses incorporate principles of project management as they apply across different phases of the construction cycle. They are ideal for those seeking a career in construction management and project management from a national and international construction management perspective.

## WHERE CAN ENGINEERING COURSES TAKE YOU?

Our engineering courses offer a choice of majors that prepare you to pursue roles in civil, electrical, mechanical or resource systems engineering. For those **working in a trade** or as an **engineering associate/technologist**, the Associate Degree of Engineering extends your expertise and offers a choice of majors to suit your career aspirations. To qualify as an engineer, the Bachelor of Engineering (Honours) offers majors in **Civil, Electrical, Mechanical** or **Resource Systems** as well as dual majors in the emerging fields of Civil with Humanitarian, Electrical with Data Analytics, Electrical with Industrial Automation, Electrical with Information Processing, and Mechanical with Industrial Automation. The Bachelor of Engineering and Diploma of Professional Practice (Co-op Engineering) also qualifies you as an **engineer**, plus features

**paid work placements.** The dual degrees in engineering and built environment, construction management, project management or information technology **broaden your career prospects**, opening the door to a range of professional career opportunities.

Our postgraduate engineering options expand on existing credentials or offer a **second discipline of interest.** The Master of Engineering suits three- or four-year qualification holders seeking recognition as **graduate professional engineers.**

A range of postgraduate management options are also available and are ideal if you are seeking to advance your business skills.

# ENGLISH AND STUDY PATHWAYS

## WHERE CAN ENGLISH LANGUAGE COURSES TAKE YOU?

If you are an **international student**, our English language courses are designed to help you gain the skills and confidence for **everyday English conversations** and academic study.

Our English Language Intensive Course for Overseas Students (ELICOS) provides you with a range of English language units to suit your needs.

English for Academic Purposes (EAP) classes are great if you would like to **learn academic English** to prepare you for tertiary study. The content is very similar to International English Language Testing System (IELTS) preparation, but there is a stronger focus on referencing, essay writing and presentation, information literacy and note-taking for lectures.

## WHERE CAN INFORMATION TECHNOLOGY COURSES TAKE YOU?

Our TAFE certificate and Diploma of Information Technology provide the relevant training to use varied software and devices, IT systems and **perform introductory ICT technical functions**. The Diploma of Information and Communications Technology and Associate Degree of Information Technology provide you with a solid foundation in IT and are ideal pathways towards further study.

The Bachelor of Information Technology and the Bachelor of Information Technology (Co-op) cover similar IT content with options to complete an **internship or simulated project**.

The Co-op course also features a **paid work placement**. Our dual degree options provide you with broad, yet relevant study ideal for a **career in law, engineering or in the IT sector**.

Our postgraduate study options allow you to **develop your skills or advance your career**, offering a variable understanding of professional industry IT skills, knowledge and applications, culminating in a choice of majors and minors at the advanced level.

## WHERE CAN PSYCHOLOGY COURSES TAKE YOU?

Seeking a career as a **clinical psychologist**? For those without a degree, the Bachelor of Psychological Science is your ideal starting point. If you already have a tertiary qualification, the Bachelor of Science (Psychology) would suit. Both are a first step towards professional registration as a psychologist requiring a further one-year honours degree, followed by two years of postgraduate study. Our fifth-year Master of Professional Psychology allows for a final year supervised internship to then register as a psychologist. The fifth- and sixth-year Master of Clinical Psychology allows you to register as a **general psychologist** and apply for endorsement as a **clinical psychologist**.

The Master of Clinical Psychology (Advanced Entry) is ideal if you already hold general registration as a psychologist, or have completed an APAC accredited Master of Professional Psychology, and would like to complete training in clinical psychology as a specialised area of practice.

Explore a broad range of career options when you combine your psychology study with **laws** or **criminology**. Our study options in these disciplines also provide a pathway to a psychological science honours degree.

Our postgraduate options in positive psychology provide you with **career advancement opportunities**, enabling you to expand your professional knowledge.

# SAFETY SCIENCES

## WHERE CAN SAFETY SCIENCES COURSES TAKE YOU?

Ideal for current or aspiring emergency and disaster management professionals and volunteers, the Diploma of Public Safety (Emergency Management) will equip you with industry-wide knowledge and skills in areas such as **emergency procedures** and **public safety**. Our postgraduate courses in emergency and disaster management provide you with opportunities to tailor your studies to **your career interests**, and progress your emergency service or disaster management career.

Our courses in safety sciences can provide you with a great **introduction to the field of occupational health and safety**, and are a good option to advance pre-existing professional skills. The associate degree covers the first two years of the bachelor and sets you up as a **paraprofessional**, while the bachelor qualifies you as a **practicing professional**. Our postgraduate options will suit if you are an **established OHS professional** – or have a degree in non-related fields – and want to specialise or advance your career.

# SCIENCE, ENVIRONMENT AND AGRICULTURE

## WHERE CAN SCIENCE COURSES TAKE YOU?

Our Bachelor of Agriculture offers the opportunity to concentrate your studies with a choice between majors in **Agromony, AgTech** and **Livestock**.

If you are looking to gain experience working with animals, the Certificate II in Animal Care will prepare you for career opportunities **attending to animals** in a kennel, cattery, animal shelter or pet shop.

Budding horticulturists will appreciate the Certificate II in Horticulture, an ideal pathway to a **horticultural trade qualification**. The Certificate III in Horticulture provides you with general knowledge and skills in **amenity horticulture**.

Our Certificate II in Sampling and Measurement and Certificate III in Laboratory Skills are ideal **career-entry** courses, while our Certificate IV in Laboratory Techniques **enhances your existing laboratory capabilities**.

Explore a range of **botany and zoology, earth and climate science, environmental science, science** or **chemistry** careers with our Bachelor of Science and Environment, or enhance your professional and research skills with the Bachelor of Science (Honours).

## MORE STUDY OPTIONS

### OPPORTUNITIES FOR HIGH SCHOOL STUDENTS

If you're in high school, CQUniversity provides opportunities for you to study Vocational Education and Training (VET) or higher education units while still at school, meaning you may be able to graduate from CQUniversity earlier.

#### START UNI NOW (SUN)

Available for domestic and international students, SUN offers Year 10<sup>†</sup>, 11 and 12 students the opportunity to study CQUniversity units from degree-level courses while still in secondary school as part of your Queensland Certificate of Education (QCE). Studying a SUN unit may also provide credit toward high school certificates such as SACE, VCE and WACE. In South Australia and Victoria, completion of eligible SUN units may also give you credit toward the calculation of your ATAR.

You can enrol in a range of units, either on campus (face-to-face) or online, and combine them with your regular school work.

For more information, visit [cqu.edu.au/sun](http://cqu.edu.au/sun). For more information about SUN for international students, visit [cqu.edu.au/int-sun](http://cqu.edu.au/int-sun).

#### START TAFE NOW (STN)

Start TAFE Now offers Year 10<sup>†</sup>, 11 and 12 students the opportunity to study a certificate I, II, III, IV or diploma level course in a wide variety of disciplines.

Benefit from developing real trade skills and qualifications, while completing secondary school. In Queensland, you can study a TAFE course as part of your Queensland Certificate of Education (QCE), and earn QCE points. To be eligible, you need to be at least 15 years of age at the commencement of classes. For more information visit [cqu.edu.au/stn](http://cqu.edu.au/stn).

Year 11 students can include a TAFE certificate III qualification or higher to contribute to the Australian Tertiary Admission Rank (ATAR).

CQUniversity has options available for high schools who have teachers interested in delivering TAFE qualifications at their school in their area of expertise or specialisation. To discuss partnership opportunities, please email [STN@cqu.edu.au](mailto:STN@cqu.edu.au).

### APPRENTICESHIPS AND TRAINEESHIPS

The steps to becoming an apprentice or trainee are different to becoming a student at university or TAFE.

Generally, you will be required to find an employer who is willing to employ you as an apprentice or trainee. During your apprenticeship or traineeship, your employer (or Group Training Organisations/Job Services Australia provider) may arrange for you to undertake vocational education and training at CQUniversity.

If you employ apprentices or trainees, and are seeking a trusted local TAFE training provider, you'll find everything you need at CQUniversity. Our expert teachers deliver quality and industry-relevant training to ensure your apprentices and trainees gain the knowledge and skills needed to succeed.

Our apprenticeship and traineeship courses cover a wide range of areas, including:

- » automotive engineering and technology
- » beauty
- » business
- » childcare
- » construction
- » electrical and electronic engineering and technology
- » fitness
- » hairdressing
- » horticulture
- » hospitality
- » laboratory
- » manufacturing engineering and technology
- » mechanical and industrial engineering and technology
- » oral health
- » tourism.

For more information visit [cqu.edu.au/apprenticeships](http://cqu.edu.au/apprenticeships).

### CROSS-INSTITUTIONAL STUDY

If you are enrolled as an undergraduate or course work postgraduate student at another institution and wish to undertake CQUniversity units, you may choose to apply for cross-institutional study. You will require approval from your home institution and this must be submitted as part of your application. For more information visit [cqu.edu.au/crossinstitutional](http://cqu.edu.au/crossinstitutional).

\* Year 10 students are eligible for Term 3 (November) intake only.

† Applications by Year 10 students may be considered for admission. Students need to be at least 15 years of age at the commencement of classes.

## SINGLE NON-AWARD UNITS

If you want to update or expand your knowledge in a specific area without committing to an entire course, you may wish to apply to study a single non-award unit. You will be required to meet the entry and pre-requisite requirements for admission to the course from which the unit or units belong to. For more information visit [cqu.edu.au/non-award](http://cqu.edu.au/non-award).

## SHORT COURSES

CQUniversity has a range of accredited and non-accredited short courses in a wide variety of interest areas. If you are looking to upgrade your skills or have a talent or interest you would like to pursue, our suite of short courses are designed to bring you the knowledge and skills you are looking for. For more information visit [cqu.edu.au/shortcourses](http://cqu.edu.au/shortcourses).

## PROFESSIONAL DEVELOPMENT

Our Centre for Professional Development offers a variety of non-award short courses and micro-credentials to meet mandatory professional development requirements, as well as industry workforce development needs.

You can enrol at any time. The courses are self-paced, allowing you to complete them within a flexible timeframe.

Successful completion of a professional development course will be awarded with a Digital Badge and a Certificate of Completion, as evidence of your learning. You may be eligible for credit transfer and/or Recognition of Prior Learning (RPL) into some courses offered at the University on a case-by-case basis.

New courses and professional development areas are continually being developed. For the latest information visit [cqu.edu.au/cpd](http://cqu.edu.au/cpd).

## NEXT STEPS

Prepare your application.

### READY TO APPLY?

#### DOMESTIC STUDENTS

If you've decided what you'd like to study, it's time to apply. Depending on your location, circumstances and what you have chosen to study, you may need to apply via a Tertiary Admission Centre (QTAC or UAC), our Apply CQUni portal, or you may be able to apply direct to CQUniversity. To find out how to apply visit [cqu.edu.au/apply](https://www.cqu.edu.au/apply).

#### INTERNATIONAL STUDENTS

If you are an international student, you can submit your application to study with CQUniversity online via iStart. To find out more about the application process, visit [cqu.edu.au/international-apply](https://www.cqu.edu.au/international-apply).

### NEED MORE INFORMATION?

If you have questions, we're here to help. You can find more detailed information about career and study options online at [cqu.edu.au](https://www.cqu.edu.au).

If you'd like to talk to someone directly, phone 13 27 86 or connect with us at one of our events. Please refer to the next page for event details.

#### INTERNATIONAL STUDENTS

If you are an international student, explore our website for information that is relevant to you, including entry requirements, fees, campus availability, student visa information and more. Visit [cqu.edu.au/international](https://www.cqu.edu.au/international).

### WANT TO VISIT?

If you'd like to meet us in person, or arrange a tour of one of our locations, call us on 13 27 86 to make an appointment, or visit [cqu.edu.au/locations](https://www.cqu.edu.au/locations) to find the address and opening hours for your preferred location.

### BOOK A CONVERSATION

We are here to help you explore your future study options and answer your questions. Book a conversation with us, when and how it suits you – phone, Zoom, email or Facebook Messenger.

Book a conversation with our team.

# TERM DATES AND EVENTS

## APPLICATION DATES

Please note that application due dates are prior to the commencement of each term, and vary depending on your individual circumstances and the course you choose.

Visit [cqu.edu.au/apply](https://cqu.edu.au/apply).

## UNI TERM DATES

### TERM 1 2025

Monday, 10 March – Friday, 6 June 2025

### TERM 2 2025

Monday, 14 July – Friday, 10 October 2025

### TERM 3 2025

Monday, 10 November 2025 – Friday, 13 February 2026

## TAFE TERM DATES

TAFE course enrolments occur throughout the year.

Visit [cqu.edu.au/tafe](https://cqu.edu.au/tafe) to ensure you do not miss the enrolment for your course.

## ONLINE CHATS AND VIRTUAL ACTIVITIES

Have questions about your study options at CQU? Chat to us at one of our online chat sessions held on Facebook or join us at one of our virtual activities regularly throughout the year. Check out our upcoming virtual activities at [cqu.edu.au/futurestudentevents](https://cqu.edu.au/futurestudentevents).

## OPEN DAYS 2024

Open Day events are your chance to get to know CQUniversity, explore our courses and chat with lecturers and teaching teams.

### OPEN DAY ONLINE CHAT

Thursday, 25 July 2024, 3 – 6 pm

### ON-CAMPUS OPEN DAY EVENTS

Attend your local on-campus Open Day event to further explore facilities and tour your campus. Join us at one, or more, of the following locations:

**Bundaberg** Thursday, 8 August 2024

**Cairns** Thursday, 15 August 2024

**Gladstone** Thursday, 22 August 2024

**Mackay** Saturday, 3 August 2024

**Rockhampton** Sunday, 18 August 2024

**Townsville** Thursday, 8 August 2024

### FIND OUT MORE

Visit [cqu.edu.au/opendays](https://cqu.edu.au/opendays) for the full list of details for our on-campus and virtual events.

Find an event near you or online.

'Coming to an Open Day allowed me to calm some of my fears, get a lot of extra information, some tips and tricks, and just become familiar, not only with the campus, but with the people who I might be interacting with.'

**Christian Lane-Krebs**

CQU STUDENT

## IMPORTANT NOTES

1. Courses at some locations may be delivered by a combination of on-campus study, workshops, residential schools and online education.
2. Intakes, duration and availability may differ from what is listed in this directory depending on preferred intake, study mode and personal circumstances. Course commencement is dependent on sufficient enrolments. Different study periods apply for TAFE and university courses. Many TAFE courses offer multiple monthly intakes.  
Mixed Mode availability is unique to TAFE courses only and is a combination of online learning activities in addition to compulsory site-specific learning activities. Online availability for TAFE courses may include work integrated learning, such as work placements. Please visit [cqu.edu.au/glossary](https://cqu.edu.au/glossary) or contact us for more information.
3. The SR and ATAR listed are the entry scores required to be considered for a place in each course and should be used as a guide only. Entry to courses is competitive and the cut-off score will vary from year to year and for courses where there is a limit on the number of places available a higher score may be required. To view the latest ranking information visit [cqu.edu.au/courses](https://cqu.edu.au/courses) to find your preferred course and view the Entry Score information.

**CQUniversity Australia is committed to operating sustainably to reduce our adverse impact on the environment.**

All CQUniversity course guides and brochures can be found on our website.

We printed this brochure on paper that is fully recyclable and made of a blend with 30% recycled content, and the remaining pulp coming from PEFC™ certified sustainably managed sources. The pulp is elemental chlorine free and the paper is manufactured by an ISO 14001 certified mill.

Published by CQUniversity Australia (March 2024).

The information contained within this guide is predominantly for domestic students. Information specifically for international students can be found online at [cqu.edu.au/international](https://cqu.edu.au/international).

CQUniversity and the Australian Government want international students in Australia to have a safe, enjoyable and rewarding place to study. Australia's laws promote quality education and consumer protection for international students. These laws are known as the Education Services for Overseas Students (ESOS) framework. For further information, visit [cqu.edu.au/esos](https://cqu.edu.au/esos).

The information in this publication was correct at the time of printing, however is subject to change. Check the CQUniversity website for the latest information.
