Notes:

- 1 ECU South West Students: Please note that courses may not be able to be studied in their entirety at ECU South West, Bunbury and/or not all majors are offered on-campus. See the relevant course page on our website for full details.
- 2 This course involves periods of study on both ECU's Joondalup Campus and the University of Portsmouth's Campus in the United Kingdom. See the relevant course page on our website for full details.
- 3 Students will complete all units over a 4-week period in January.

How to apply

Application options can vary, depending upon your situation and your chosen pathway.

Australian universities have 4 standard categories that cover student applications.

These are:

- Recent secondary education (typically most school leavers)
- Work and life experience (usually mature age students who've been working)
- Vocational education and training (VET) (think TAFE students)
- Higher education student (people who've got a degree or done a bridging course)

We won't try to explain these in this space, but we suggest you visit our Applying page and see which category is your best fit.

The page also details your different entry requirements and options.

If you'd rather talk to us about applying for courses, we'd love to hear from you. Call 134 328 or drop into your nearest ECU campus.

WAAPA courses

Western Australian Academy of Performing Arts applications are different to other undergraduate courses.

In most WAAPA disciplines, you can expect to have auditions and interviews.

Note: You'll need to apply direct to us, not via TISC, for WAAPA courses or for the Music Education major in our Secondary Education course.

Screen Studies

You can study the Screen Studies major (Bachelor of Media and Communications degree) if you have an Advanced Diploma of Screen and Media or equivalent.

If you have a Diploma of Screen and Media, you'll need to do a transitional semester to qualify.

Talk to us to check your eligibility. You'll need to apply direct to us, not via TISC.

Become an ECU student in 6 steps

- 1 Choose your course.**
Consider having a back-up course in case you've applied for a popular course and it's oversubscribed. You can apply for up to 3 courses at once.
- 2 Check entry requirements.**
Some courses have special admission or 'inherent' requirements, so check these too.
- 3 Check the application date.**
Don't miss the deadline for your chosen course(s).
- 4 Apply for a scholarship.**
These are awarded to all kinds of people, not just high achievers. You can do this when you apply for a course.
- 5 Have your paperwork ready.**
You'll need scanned copies of other qualifications, your résumé or other required paperwork ready to upload.
- 6 Accept your offer.**
If you're successful, we'll send you an offer of a place. We hope you accept it and become an ECU student!

What pathway can you take into ECU?

If you don't have an ATAR, or you do but got a lower ATAR than expected, you still have pathway options into university courses.

For some of these pathways, you may need to have completed WACE.

University Preparation courses

This is a pathway we recommend to students who didn't get an ATAR, or didn't get the ATAR they had hoped for. UniPrep courses are free too.

UniPrep is either a standard uni semester course or one of two intensive courses—UniPrep Accelerate for 4 weeks in January and UniPrep Summer from November to January.

➔ Read more about UniPrep — ecu.edu.au/degrees/uniprep

Creative Arts Portfolio Entry

If you've finished school without an ATAR but you're really interested in art and design, this might be your pathway.

You'll need to complete an application and attend an interview, plus show us your portfolio.

➔ Read more about CAPE — ecu.edu.au/future-students/course-entry/creative-arts-portfolio-entry

Experience Based Entry

If you don't have an ATAR (or had a near-miss) or any VET qualifications, like a Cert IV, this could be your way into university.

You'll need to include a letter telling us about your goals and why you want to go to uni as part of your application, along with references.

➔ Read more about Experienced Based Entry — ecu.edu.au/future-students/course-entry/experience-based-entry-scheme

Diploma or Cert IV Entry

If you've completed or started a VET course at a TAFE or another training organisation since high school, you might also have a pathway to uni.

If you completed a Diploma or an Advanced Diploma you may be eligible to go straight into an undergraduate course.

“I'd been out of school for a long time but UniPrep gave me the skills to write essays, research and manage my time effectively.”
