## *About the Founder*

***A man of positive change who made Education his mission for life!***

**Sh. Tarsem Kumar Garg**  
Hon'ble Chancellor, MMUs

Meet the visionary behind MMUs - Shri Tarsem Kumar Garg who wished to see students hailing from North India empowered with global education so as to have a head start in life. It was his idea that the best education and infrastructure should be made available to the youth of tier II and tier III cities in North India. Coming from a humble background; Sh. Garg dedicated his life to spread the enthusiasm for higher education and professional courses in small towns and rural areas of the region.

In sync with his goals, he set up the Maharishi Markandeshwar Education Trust (now known as Maharishi Markandeshwar Trust) in 1993. In a short span of 2 decades, the MM Group of Institutions has grown into one of the most reputed educational group in the country which takes pride in its state-of-the-art infrastructure as well as expert faculty. These institutions have widened the horizons of growth and success for thousands of youth and equipped them with a culture of excellence, inclusiveness and social service.
