# Investing in Your Future

## Financial Aid

Did you know that a college graduate, on average, earns 65 percent more\* than a high school graduate? Investing in your education is one of the smartest choices you can make.

Our Office of Financial Aid will work with you on a plan to make your degree affordable with a financial aid package that could include:

- merit scholarships
- university scholarships and grants
- federal grants
- state grants
- community engagement grants for housing and meals
- loans
- work-study

An overhead view of three students and a professor in an art studio. They are gathered around a long table covered with various art supplies and a large, colorful abstract painting. The professor, a woman with short brown hair wearing a white lab coat, is looking at the students' work. One student is a woman with long black hair wearing a yellow apron, another is a woman with a headscarf, and a third is partially visible. The studio has wooden cabinets and shelves in the background.

# LEARN

## Academic programs led by professors who are experts in their fields.

Whether you already have a career in mind or are still figuring it out, we offer over 60 areas of study for you to customize your education. Here, your professors know you by name, and small class sizes lead to a more engaging classroom experience.

Our signature academic program, the La Verne Experience, helps you quickly acclimate to campus life while preparing you to be a force for positive change in the community. And the curriculum is infused with hands-on learning opportunities that will fill your résumé.

# LEAD

## An education that expands options and promotes upward mobility.

The University of La Verne will carry you beyond the bachelor's degree with career services and continued support through our alumni office.

Our alumni network consists of 87,000 Leopards across the globe and university traditions that stretch back more than 130 years. For some, the pursuit of lifelong learning drives them to graduate studies at University of La Verne and other top educational institutions. Our many accelerated degree options mean that students can complete master's degrees in only one additional year, saving time and money.

Many go on to become teachers, artists, public servants, and entrepreneurs—the everyday leaders who are the backbone of our workplaces and neighborhoods. They drive change locally in our communities, but also for organizations such as:

- Amazon
- Bank of America
- Kaiser Permanente
- NBC Universal
- The Walt Disney Company
- Verizon
- Warner Media
- AT&T
- Southern California Edison
