ABOUT UAEU

ESTABLISHED IN 1976

The United Arab Emirates University (UAEU) is an outstanding educational institution, with an international reputation for the quality of its research and the excellence of its teaching. It is this combination that ranks us in the top 400 universities worldwide.

As a research-intensive university of international stature, UAEU works with its local and international partners to provide research solutions to challenges faced by the nation, the region and the world. The university has established research centers of strategic importance, which help advance knowledge in critical areas ranging from water resources to the treatment of cancer.
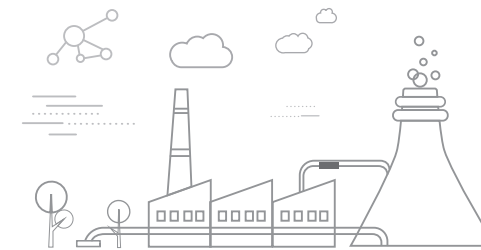

11 RESEARCH CENTERS

- National Water and Energy Center
- Zayed Bin Sultan Al Nahyan Center for Health Sciences
- Emirates Center for Mobility Research
- Emirates University Center for Public Policy and Leadership
- Khalifa Center for Genetic Engineering and Biotechnology
- Big Data Analytics Center
- National Space Science and Technology Center
- Fatima Bint Mubarak Motherhood and Childhood Research Center
- Emirates Center for Happiness Research
- Abu Dhabi International Precision Medicine Virtual Research Institute
- Abu Dhabi International Virtual Research Institute for Food Security in Drylands

INDUSTRY COLLABORATION

We work in close collaboration with many local and international organizations to turn ideas and innovation into reality. By doing just this, we transform people, organizations and the global economy.

With the expertise to take R&D projects from concept through to delivery, we conduct and exploit emerging research, applying it to address the real-life needs of industry. UAEU combines world-class facilities with the very best researchers, helping to set the agenda for future innovation.
