**STAFFORDSHIRE UNIVERSITY**  
Associate Deans – Research and Enterprise

Staffordshire University is on a journey to become the foremost modern higher education institution in the UK with an international reputation for excellence, and we are looking for inspirational and effective people to take us to the next stage. We are driven by our values which underpin everything we do. We are daring, curious and proud of our region and people.

We have set ourselves ambitious research goals to go alongside our student-focussed aims and are making significant investments in our research. Therefore, we are seeking six Associate Deans to drive forward our research and enterprise agenda. Postholders will be excellent researchers in their own right, with the skills to lead and manage research and enterprise activity within a school in line with the next step of the University's transformation journey. Postholders will also work on cross-University research and enterprise activities.

We are a university of and for our community; local, national and global. If you share our values and have the skills to deliver our vision, we want to hear from you.

To apply for these roles, please go to <https://jobs.staffs.ac.uk>

Closing date for completed applications is midnight 27 April 2019

**MAGDALEN COLLEGE, OXFORD**  
**ELECTION OF PRESIDENT**

The Governing Body of Magdalen College, Oxford, is seeking to elect a new President with effect from 1 September 2020 to succeed Professor Sir David Clary FRS. The President of the College is responsible for leading an eminent academic community dedicated to the pursuit of learning and research and will serve as an ambassador for Magdalen within the University of Oxford and on the international stage.

Ideal candidates will be inspirational figures of professional distinction with the energy, enthusiasm, and willingness to engage in all aspects of College life. They will need to demonstrate the capacity for strategic vision combined with a collegial leadership style and be able to build consensus across the Fellowship and beyond.

Information about Magdalen College, and further particulars about the appointment and the application procedure, can be found on the College's website at <http://www.magd.ox.ac.uk/vacancies>, or obtained from Moloney Search ([mag@moloneysearch.com](mailto:mag@moloneysearch.com)), the College's advisers in this process.

Applications should be sent electronically to [mag@moloneysearch.com](mailto:mag@moloneysearch.com) and should include:

- (a) a curriculum vitae, including the names of suggested referees, and
- (b) a letter explaining the candidate's reasons for applying, and how the candidate believes they exemplify the qualities sought.

**The closing date for applications is 6 May 2019.**

Magdalen welcomes applications from women and men worldwide, and is committed to equality, diversity, and improving opportunities for fair access to higher education.

**THEunijobs**

*Times Higher Education* has helped to foster another important dimension of diversity at Harvard: international diversity. The exposure of Harvard's faculty positions on THEunijobs, since we embarked on our subscription package in October 2015, enhances our outreach efforts to a global community and showcases our institution as a destination of choice for academics around the world. Working with the *THE* team has also been a pleasure, and has enriched the conversation around international recruitment and retention.

– Elizabeth Ancarana, assistant provost for faculty development and diversity,  
Harvard University

for Chair Professor / Professor / Associate Professor / Assistant Professor

### THE INSTITUTION

The Hong Kong Polytechnic University (PolyU) is a government-funded tertiary institution in Hong Kong with a total of some 27,000 students, of which about 20,700 are studying full-time programmes. Since our beginnings in 1937, we have evolved alongside economic and social development in Hong Kong and the world. We have nurtured many of the brightest minds in technology, health sciences, design, business and more. We also conduct thousands of research – ranging from improving daily life to opening up new horizons in space. And most importantly, we will never stop inspiring the people who will shape tomorrow.

Aspiring to building a sustainable future, PolyU proudly pledges "Opening Minds • Shaping the Future" as our promise for education and research. If you're passionate about making the world a better place, we invite you to be part of our journey.

More stories of PolyU's recent research achievements can be found in the publication of *PolyU Milestones* at [https://www.polyu.edu.hk/cpa/milestones/en/past\\_issues/index.html](https://www.polyu.edu.hk/cpa/milestones/en/past_issues/index.html).
