KHU Vision

‘Towards Global Eminence’

Kyung Hee University(KHU) has pursued KHU Spirit of “Scholarship and Peace” as well as the founding principle of “creating a civilized world.” The university has developed remarkably, contributing to the fulfillment of a “cultural world for humanity” as the leader of the future of academics and the creator of common values for humanity. For the past decade, we have witnessed a notable growth and a rise in the university’s stature through forward-looking and adventurous endeavors in education, research, public service, and praxis.

International Programs

Exchange and Visiting Student Program

International students can take courses at Kyung Hee University either in Korean or English as an exchange student or a visiting student for up to 1 academic year. International students from our partner institutions are only eligible for our exchange program and their tuition at KHU is waived under the bilateral agreements. Those who are not from our partner institutions can still take courses at KHU through our visiting student program. They have to pay their tuitions for both their home university and Kyung Hee University. KHU currently offers over 30% of courses in English in a variety of fields including Management and Hospitality & Tourism.

Fathia Astrini Nawir (Indonesia)

“Global Collaborative (GC) Program is a great program. We got to learn from professors from the most prestigious universities in the world and the classes were really open and interactive.”

UN/INGO Internship Program

The Global Academy for Future Civilizations runs the UN/ INGO Internship Program to seek a civilization of peace and co-existence as well as to cultivate global leaders in the 21st century. The program places students in internships that help them better understand international problems and enhance their education through hands-on work and research at international organizations. The program is based on cooperative relationships between Kyung Hee University and diverse international organizations, such as the UN Department of Economic and Social Affairs (DESA), the UN Economic and Social Commission for Asia and the Pacific (ESCAP), the UN Educational, Scientific and Cultural Organization (UNESCO), World Alliance of Citizen Participation (CVICUS), and the Conference of NGOs in Consultative Relationship with the United Nations (CoNGO).

Korean Language Program

The Institute of International Education (IIE) is a specialized language-teaching institute. In 1993, IIE initiated its Korean language program and was selected by the government as an official institute for teaching Korean to international students. Every year, over 6,000 students from more than 100 countries attend IIE. In addition to providing high-quality Korean language instruction, the institute also offers events, special courses on the culture and history of Korea, and opportunities to meet and make friends with Korean students.

International Student Support Programs

Global Center

Global Center, an administrative office that admits outstanding international students, provides services such as living support, counseling, and Korean language programs, to better serve the students to a rewarding and fulfilling experience at KHU.

Global Buddy Program

Global Center organizes a cultural exchange program called 'Global Buddy Program.' The purpose is to provide a fresh life experience to the students and a chance to understand different cultures by exchanging words and thoughts. Both international students and Korean students are allowed to participate in the program. Participant will be assigned with a few team members and get a financial support from Global Center. Hundreds of students participate in this program every year.

Cultural Experience Program

Global Center organizes and implements a wide variety of cultural programs every semester. Program objectives are intended to understand the culture, life-style and history of Korea through field trips. Student activities and cultural events promote friendship and social networking opportunities between international students. In the fall semester 2015, students had opportunities to experience leisure such as rafting and riding ATV and to attend traditional Korean culture experience program, that includes sightseeing, traditional crafts lesson and visiting historic sites.

Employment Assistance Program

To help support domestic and overseas employment of international students, educational employment programs have been designed. Employment lectures, image making, resume clinics, mock interviews, information session with employed Korean seniors, foreign language contests, and various other programs are held for the students.

International Friendship & Culture Club (I.F.C.C.)

I.F.C.C. brings together Korean students and international students to build friendships and foster cultural exchanges. Through participating in I.F.C.C., students can build an international network while gaining global experiences and learning about each other's cultures. Major activities include regular meetings, welcome parties, field trips, and get-togethers to foster mutual understanding and help students share their cultures while learning more about Korea.

Fairuz Hasna Karimah (Indonesia)

"I had a lot of good experiences through Office of International Affairs and I.F.C.C.. They organized a variety of events and activities which were fun and useful for international students including a welcoming party and field trips."
